The following Press Communique, dated the 8th September 1925, issued by the Government of India in the Home Department is hereby republished for general information :—

In Press Communiques, dated the 22nd November 1919, and the 22nd January 1920, the Government of India with the approval of His Majesty's Secretary of State for India, announced their intention of excluding ex-enemy aliens from India for a period of five years after the conclusion of the war, and except in special cases, this policy has since been followed. The conclusion of the Anglo-German Treaty, however, and the withdrawal of all restrictions against the entry of ex-enemy aliens as such into the United Kingdom have made a complete change in the position, and following the example of His Majesty's Government, the Government of India have now decided to withdraw the general restriction on the entry of ex-enemy aliens into India. In future no discrimination will be made against ex-enemy aliens as such in granting visas to enter India. The Passport Regulations will be maintained and under them it will be possible to exclude undesirables of ex-enemy nationality to the same extent as such persons of other nationalities may be excluded from India.

2. The modifications in the detailed arrangements for the admission into India of alien Christian Missionary Societies and organisations and their individual members and of individual alien Christian Missionaries which will follow from the above decision are being considered and will be communicated to the authorities and persons concerned in due course.
